TO WHOM IT MAY CONCERN:

Our Thermazip 300 series has provided many years of thermal insulation performance but is no longer available in its original form. It has since been replaced with our 379 series insulation system. 379 Series utilizes a more secure closure system, provides a superior vapour barrier, and is easier to install.

Please contact us at (800) 922-5252 should you have any questions and/or concerns.

Sincerely,

Richard Henry
Mechanical Engineer
